

Dave Ulrich Virtual Forum

23-24 November 2021

HR COMPETENCIES

This intensive six hours live webinar will be delivered over two days* by World #1 Management Educator** Prof. Dave Ulrich, who will share with you the latest insights from the 2021-published Human Resource Competency Study (HRCS) eighth round. Prof. Dave Ulrich has designed this program to help you keep abreast of the state of the art research and practice on the most important competencies for the **HR Leader** and the **HR Department**, and show you how to apply them to advance your personal effectiveness, increase stakeholder value and enable your HR Department to deliver business results.

*Singapore Standard Time (GMT +8 Hours); Day One (23 Nov; Tuesday): 10:00am-1:00pm and Day Two (24 Nov; Wednesday): 10:00am-1:00pm

**BusinessWeek Ranking

WHO SHOULD ATTEND

- HR professionals at all levels and from all industries who wish to master the competencies required of them to be successful in their jobs, and know what needs to be done for HR departments to positively impact business performance
- All other executives who work with strategy execution, managing large scale change, human capital or other organization and people issues
- Senior non-HR executives transitioning into an HR leadership role
